

ROUTE TO THE BIOLOGY LAB

Park in the Pavilion Car Park which is on the left at the Security hut inside the main school entrance. There is an overflow area half way down on the left.

Walk through the inner set of gates and across the front of the Main School.

Follow the signs to the Chapel around the end of the Science Building.

L1 Biology has the round window straight ahead and the door is immediately to the side.

Any driver with limited mobility should inform security and then drive slowly along the walking route described and park near the Science building, where vehicles can be seen in the first photo.

Views from footpaths.

Walk through the inner set of gates and across the front of the Main School.

Follow the signs to the Chapel around the end of the Science Building.
